Dear Co-laborers in Prayer and Financial Support

We are excited about what God is doing here in Argentina in spite of the quarantine. These last two Sundays we have been able to gather together almost everyone with whom we are working. The first was for the asado (Argentine barbeque). We do this on the fifth Sunday of those months with five Sundays. It is a way for everyone to have time to visit with each other and see what God is doing in each other's lives. The second was as some of the members began serving in the service by leading the singing. It was a tremendous blessing. Everyone was encouraged as they were able to see that the church was much larger than the quarantine had led them to believe over this past year.

We would like to share some other encouraging news that has come out of our working with the Casa de Contención. We were notified this last week that another of the men who passed through the ministry is working with a missionary to help start a new church in Balnearia. This is the second man out of this ministry that God is using in this way. We are excited to see God using the men who come to know Jesus as Savior in the

Casa and are then grounded in their faith leaving with this desire to see their towns reached with the gospel and hope of Jesus Christ.

We ask that you would continue to pray for us and our involvement in this ministry. Our desire is that it would continue to work for the spread of the Gospel in this way. The Casa is looking for their own facility. Would you pray that God would provide this facility?

We appreciate your continued prayers for our granddaughter Caylee. She is slowly continuing to improve. Her labs this past week showed that the leukemia has reappeared but is not advancing as rapidly as before. It appears our new grandson Corban will make his appearance this week. We would appreciate your prayers for this family as after the birth Caylee will begin treatments in the hospital for her leukemia. God's gracious provision in everything is encouraging the family.

We are thankful that God continues to bless us with good health and the ability to continue active ministry here in Argentina. Thank you for your prayers and financial support which make this possible.
