March 2023

God has blessed us with physical rain this past month. He has also blessed us with showers of blessings. God wants us to develop an attitude of gratitude so we are thankful for what God allows into our lives. Then we can fulfill what James says “My brethren, count it all joy when ye fall into divers temptations.”

We are at the end of our summer here. In Villa del Totoral, the church has a good spirit and is encouraged in the work. Milciades is taking some of the teaching time. God is using him more in the lives of the people. Nelson and Karen are also a testimony to God’s care and faithfulness. She recently had a conversation with one of her friends who was stressed out over the increase in the rent prices, about 85% this year because of inflation. Karen shared that she was not stressed because she was trusting in God’s provision for Nelson and her.

Pastor Javier Bravo is continuing to look for a house in the neighborhood where they are starting the new church. Would you pray with us that God would provide a house with a garage or other room large enough to be used to for the meetings.

Pastor Oscar Zamora has been struggling with his car. The entire clutch assembly had to be replaced. This prevented him from visiting the people in

Carlos Pellegrini. God continues to bless in their work in La Ferreyra.

The church in Don Bosco under the direction of Pastors Beto and Luis had a summer camp with another church in Gran Buenos Aires. They were able to go to the Atlantic coast. God worked in the hearts of the people to encourage both churches to continue to be faithful in the work. The pastors said the people came back with a renewed desire to see their friends and neighbors come to know Jesus. Pray that the church’s paperwork would be issued from the Ministry of Culture. This recognition would allow them to finish the necessary paperwork to hold property. Below is a picture from the camp.

We thank you for your faithful prayers for the work here. We also thank you for your faithful financial support.
